SUBJECT INDEX TO VOLUME 166

January–December 2001

A

Abdominal bleeding, uncontrolled, gunshot wound and, saline/dextran in resuscitation, 695
Abdominal trauma
  surgical treatment results, 952
  war, complications and outcome predictive factors, 226
Achievement, personal values and, Air Force nurses, 139
Acquired immunodeficiency syndrome, blastomycosis and, case report, 1026
Activities of daily living, retired military officers, 259
Adenocarcinoma, with unknown primary, presenting as retroperitoneal mass and Trousseau's syndrome, 831
Adjustment disorders, acute trauma and, Suppl 2, 53
Aggressive behavior, combat veterans with posttraumatic stress disorder, 671
Aging, successful, spirituality, health promotion, and, 485, 561
Agramonte, Aristides, biography of, Suppl 1, 23
Air ambulance operations, description and system review, Army, 102
Air Force
  active duty, eating disorder prevalence in women in, 53
  nurses, personal values identified in, 139
  operational readiness and psychiatric treatment, clinical guidelines, 378
  psychiatric profiles in, 112
  suicide, education and risk detection/assessment, 195
  training instructors, job satisfaction, stress, and personality characteristics, 800
Air National Guard, cigarette smoking in, health promotion survey, 774
Airway management, Military Trauma Life Support training program and, Israel Defense Forces Medical Corps, 385
Alcoholism, mouthwash ingestion, cardiac asystole after, case report and content review, 833
Altruism, personal values and, Air Force nurses, 139
Ambulance operations, air, description and system review, Army, 102
Ammonia, liquid, acute management of exposure, case report, 913
Amyotrophic lateral sclerosis, onset of, traumatic axonal injury and, case report, 731
Anesthetics
  regional, pain management and, in special operations environment, 211
  volatile, chemical agent monitors reading, 708
Anorexia nervosa, prevalence, women in active duty military, 53
Anthrax
  inhalational, management, Suppl 2, 11
  vaccine, psychological aspect of, Suppl 2, 36
Anxiety, physical symptoms as indicator of, 796
Army
  active duty, eating disorder prevalence in women in, 53
  active tuberculosis in personnel, 1980–1996, 452
  air ambulance operations, description and system review, 102
  aviation personnel, on reverse cycle, work and sleep habits, 159
  aviators, total hip arthroplasty incidence and outcome, 132
  basic training
    injury rates and risk factors during, 641
    outcomes and injuries, 356
  contingency medical force, 198
  health care specialists, 685
  medical center, pain management service implementation in, 146
  medical helicopters in Korean War, 290
  National Guard, weight and fitness standards, retention of soldiers not meeting, 205
  nurses, reserve, mentored relationships effects on satisfaction and intent to stay, 21
  nutrition initiatives, recipe development and acceptability, 184
  peacekeeping mission in Bosnia-Herzegovina, surgical experiences during, 587
  Ranger medic, advanced trauma management, 394
  recruits, hyponatremia and overhydration in, 405
  reserve and civilian employees, health needs and goals, 14
  reserves
    nuclear, biological, and chemical training in, psychological consequences of, Suppl 2, 63
    vision readiness of, 64
  smoking cessation programs, availability for Army general medical officer, 328
  Special Operations forces, aviation flight medic, 401
  von Hippel-Lindau disease, clinical investigation of, 839
Asbestos, medical surveillance program, Navy, 966
Assisted reproductive technology, infertility and, medical and psychological aspects for primary care provider, 1018
Asthma, smoking-related attitudes, characteristics, and opinions in men with, 959
Australian Defense Force, morbidity patterns in, comparison with civilian general practice, 75
Autoaggressive behavior, soldiers, biochemical profile in, 375
Aviators, total hip arthroplasty incidence and outcome, Army, 132
Axonal injury, traumatic, amyotrophic lateral sclerosis onset and, case report, 731

B

Back disorders, enlisted U.S. Marines, risk factors, 1007
Back pain, chronic low, military service and, 607
Bacterial infections, ionizing radiation and, performance after combined exposure to, Suppl 2, 71
Balance dysfunction, transient vestibular, after primary blast injury, case report, 918
Ballistics, terminal, Russian AK 74 assault rifle, wounded patients and experimental findings, 1065
Basic training, recruits, health risks and opportunities, 714
Bezold's abscess, background, diagnosis, and treatment, 354
Biochemical profile, soldiers committing self-mutilation, 375
Biodosimetry assessment, radiation accidents and, Suppl 2, 85
Biological/chemical warfare
  agents for, Suppl 2, 9
  anthrax vaccine, psychological aspect of, Suppl 2, 36
  Department of Defense program against, Suppl 2, 4
  medical consequences of, management, Suppl 2, 11
  phosgene, gas exchange disruption after exposure to, mice, 809
  plague outbreak in India, psychosocial effects, Suppl 2, 29
  protective clothing and equipment, psychological and performance effects of, Suppl 2, 41
  psychological casualties from, Suppl 2, 21
  psychological effects of, Suppl 2, 27
  sarin attack in Tokyo, psycho-physiological effects of, Suppl 2, 23
  succinylcholine and sarin, respiratory paralysis caused by, 322
  training in Army reserves, Suppl 2, 63
Bioterrorism: *see also* Terrorism
  Operation Wake-Up Call, simulated exercise, results of, Suppl 2, 90
  preparing for attacks of, 369
  response consequences, 925
Biowarfare agents, multiplexing for detection of, 237
Birth defect, surveillance, military exposures and, 179
Blast injury, primary, transient vestibular balance dysfunction after, case report, 918
Blastomycosis, AIDS-related, case report, 1026
Blindness, mustard gas and, 67
Blood pressure, hypertension identification, Ohio Blood Pressure History Survey, 233
Blood transfusions, Creutzfeldt-Jakob disease and, 1057
Blue rubber bleb nevus syndrome, case report and long-term follow-up, 728
Body dissatisfaction, abnormal eating behaviors in female cadets in ROTC and, 264
Body mass index, morbidity and, Japan Maritime Self-Defense Force Fleet Escort Force, 681
Bone marrow transplantation, allogeneic, 1049
Bone mineral density, region-specific resistance and aerobic exercise effects, premenopausal women, 318
Book reviews
  Accident and Emergency Nursing, 469
  Atlas of Tumor Pathology: Tumors of the Prostate Gland, Seminal Vesicles, Male Urethra, and Penis, iv[9]
  Binocular Vision and Orthoptics: Investigation and Management, v[10]
  Clinical Aviation Medicine, 368
  Colour Atlas of Ophthalmic Plastic Surgery, v[10]
  Complications of cataract Surgery: A Manual, iii[11]
  Key Aspects of Preventing and Managing Chronic Illness, 349
Bosnia-Herzegovina
  Army dental emergency rates in, 1074
  bombing in market, physical medicine and rehabilitation efforts, 335
  health assessment of military personnel deployed in, during Operation Joint Endeavor, 470
  peacekeeping mission in, Army surgical experiences during, 587
  War Hospital organization and work, 59
Botulism, biological warfare and, management of, Suppl 2, 11
Bulimia
  abnormal eating behaviors in female cadets in ROTC and, 264
  prevalence, women in active duty military, 53

C

Calmness, medical officer, in mass casualty experience, Suppl 2, 61
Camouflage face paint, DEET insect repellent and, soldier acceptability of, 777
Cardiac asystole, after mouthwash ingestion, case report and content review, 833
Cardioverter defibrillators, transvenous implantable, follow-up, 500
Carroll, James, biography of, Suppl 1, 22
Carter, Dr. Henry Rose, biography, Suppl 1, 11
Casualties
  bombing in Bosnian market, physical medicine and rehabilitation efforts, 335
  death caused by unexploded grenade, case report, 557
  mass, calmness under pressure, Suppl 2, 61
  penetrating head injuries, outcome predictions in, 331
  psychological
    chemical/biologic weapons, Suppl 2, 21
    somatic, and conduct, in war, prevalence, Suppl 2, 31
  radiation, biodosimetry assessment tools, Suppl 2, 85
Chemical agent monitors, volatile anesthetics reading in, 708
Chemical warfare: *see* Biological/chemical warfare
Chemotherapeutic agents, use in periodontal pockets, 940
Childbirth, delayed interval delivery, previable second twin, case report, 278

Children, Oklahoma City bombing impact on, Suppl 2, 49
Citalopram, posttraumatic stress disorder and, case reports in Persian Gulf War veterans, 921
Claustrophobia, psychological aspects of protective gear and, Suppl 2, 83
Coagulopathy, trauma-induced, treatment, in Kosovo, case report, 362
Colostomy, diverting loop, refractory gastrointestinal bleeding secondary to radiation proctitis and, 1091
Combat
  Army, basic training, outcomes and injuries, 356
  basic training, rehabilitation duration and injury outcome, 820
  hygiene practices during, women, 152
  Military Trauma Life Support training program, 385
  optometry services in Hungary during Operation Joint Endeavor, 71
  pain management, regional anesthetics and, in special operations environment, 211
  penetrating head injuries in, outcome predictions in, 331
  Ranger medic, advanced trauma management, 394
Commentary, 247
Computed tomography, electron beam, coronary artery screening, 432
Concussion, cerebral, delayed diffuse neurodegeneration after, case report, 1029
Conflict resolution, medical care and, 301
Consequence management, weapons of mass destruction terrorism and, Suppl 2, 13
Contingency medical force, Army, 198
Contraceptive use, family planning attitudes, Navy enlisted men/women, 550
Corneal ulceration, mustard gas and, 67
Coronary arteries, electron beam CT screening of, 432
Corticosterone, posttraumatic stress disorder and, Suppl 2, 74
Creatine, performance effects, 996
Creutzfeldt-Jakob disease, blood transfusions and, 1057
Crises and consequence management, psychological issues in, Suppl 2, 59
Croatian War, myocardial infarction trends during, 419
Cyanides, chemical warfare and, Suppl 2, 9
Cystadenoma, mucinous, heterotopic bone in ovary associated with, case report, 915

D

Damage control, philosophy of, military, civilian, and rural application, 490
Darkness, tactical, night vision goggles for intravenous access in, 982
Deep water running, running performance maintenance and, 253
Delivery, delayed interval, previable second twin, case report, 278
Demographics, Navy Asbestos Medical Surveillance Program, 966
Dental treatment workload, predicting, military personnel, 541
Dentistry
  Army Dental Care System, health promotion in, 179
  Army dental emergency rates in Bosnia, 1074
  chemotherapeutic agents use in periodontal pockets, 940
  dental radiography alternatives in field environment, 338
  oral health, Veterans Administration outpatients, 171
Department of Defense
  anthrax vaccine, psychological aspect of, Suppl 2, 36
  chemical and biological defense program, Suppl 2, 4
  exposure, birth defect surveillance and, 179
  isolated military hospitals, surgical care in, 90
  quick reference formulary development, 881
  weapons of mass destruction consequence management, Suppl 2, 1
Depression
  hospital ship during Gulf War, 248
  physical symptoms as indicator of, 796
  torture and, 530
Diabetes mellitus, interdisciplinary treatment of, 848
Disease, peacekeeping operations in South America, 1059
Distance learning, Internet-based, physical therapy, 311
Dobutamine, infusion, coronary flow response to, myocardial viability assessment, 494
Dogs, military working, zoonotic diseases in, in Operations Desert Shield/Storm, 106

E

Earthquake, diagnostic medical auxiliary equipment in field hospitals and, 637
Eating behaviors, abnormal, female reserve officer training corps cadets, 264
Eating Disorder Inventory, abnormal eating behaviors in female cadets in ROTC, 264
Economic issues, weapons of mass destruction, willingness to pay for defense against, Suppl 2, 76
Economic reward, personal values and, Air Force nurses, 139
Editorials
  Tularemia, Biological Warfare, and the Battle for Stalingrad (1942–1943), 837
  Uniformed Pediatricians and Humanitarian Assistance, 1031
Education
  combat medics, training programs, commentary, 400
  distance learning, Internet-based, physical therapy, 311
  emergency medicine personnel, on-site and distance education with patient simulator, 1003
  Henry M. Jackson Foundation for the Advancement of Military Medicine, history of, 577
  HIV, prevention program, 304
  internal medicine residency curriculum, operational medicine experiences in, 34
  internal medicine residents, subspecialty experience in, 41
  medical residency, operational experiences during, 1038
  military graduate, internal medicine, outcomes, 314
  patient, design of, population-based needs assessment in, 297
  radiography, entry-level student success, Armed Services Vocational Aptitude Battery as predictor of, 422
  self-directed learning, in military facility, 711
  sexually transmitted disease prevention program, 304
Ehrlichiosis, Naval Academy midshipman with, after field exercises in Quantico, VA, 191
Elderly, retired officers, activities of daily living, 259
Encephalitis, Venezuelan equine, gamma irradiation and, combined effects in mice, Suppl 2, 88
Endotracheal tube, fixation, methods for and evaluation of, 82
Epidemiology
  infectious disease incidence in Navy, 1980–1995, 544
  injuries during Army basic training, rates and risk factors for, 641
  neuroses, in U.S. Navy, 612
  strokes in world leaders, 231
  total hip arthroplasty, incidence and outcome, Army aviators, 132
Epstein-Barr virus, with persistent splenomegaly, recurrent infectious mononucleosis caused by, case report, 733
Exercise
  aerobic, bone mineral density in premenopausal women, 318
  resistance, bone mineral density in premenopausal women, 318
Exertional compartment syndrome, after lower extremity injury, case report, 366
Eye injuries, mustard gas and, 67

F

Family planning, contraceptive use and, Navy enlisted men/women, 550
Farnsworth Lantern, success predictors in color vision testing, 1046
Fatigue, unexplained, in Persian Gulf War veterans, follow-up, 1107
Federal Response Plan, psychosocial aspects of weapons of mass destruction and, Suppl 2, 66
Fibrin bandage, fibrinogen concentration, blood loss in grade V liver injury, swine, 217
Field hospitals
  diagnostic medical auxiliary equipment in, 637
  penetrating lower extremity fractures, circular casting vs. external fixation, 791
  surgery, critical injuries, damage control philosophy, 490
  trauma-induced coagulopathy, treatment for, case report, 362
Field medical care
  Army medical helicopters in Korean War, 290
  Army Special Operations forces aviation flight medics, 401
  dental radiography alternatives in field environment, 338
  deployment surveillance quality, Southwest Asia, 475
  endotracheal tube fixation, methods for and evaluation of, 82
  functional gastrointestinal disorders, soldiers, peacetime vs. out-of-area missions, 223
  night vision goggles for intravenous access in tactical darkness, 982
  orotracheal intubation, night vision goggles and, 984
Field training/exercises
  biowarfare agent detection, multiplexing utility in, 237
  ehrlichiosis after, in Quantico, VA, Naval Academy midshipman, 191
Finlay, Dr. Carlos Juan, biography of, Suppl 1, 5
Fitness standards, Army National Guard, retention of soldiers not meeting, 205
Fitness training, Army basic combat training, outcomes and injuries, 356
Food preparation, recipe development and acceptability, Army garrison, 184
Foot, malignant melanoma of, function preservation in resection of, computer graphics role, case report, 735
Formulary, quick reference, development of, 881

G

Gamma irradiation, Venezuelan equine encephalitis and, combined effects in mice, Suppl 2, 88
Gas mask phobia, psychological aspects of protective gear and, Suppl 2, 83
Gastrointestinal bleeding, refractory, radiation proctitis and, diverting loop colostomy for, 1091
Gastrointestinal disorders, functional, soldiers, peacetime vs. out-of-area missions, 223
Gender differences, military ship medical department utilization, 32
Goodpasture's syndrome, autoantibodies and renal disease and, case report, 827
Grenade, unexploded, accidental death caused by, case report, 557
Gulf War: see Persian Gulf War
Gunshot wounds
  surgical debridement, substitute ellipse and CT in, 689
  uncontrolled intra-abdominal bleeding in, saline/dextran in resuscitation, 695

H

Head injury, penetrating, war-related, outcome predictions in, 331
Health assessment, military personnel deployed in Bosnia-Herzegovina during Operation Joint Endeavor, 470
Health care
  chart reviews, process variation in, 771
  contingency medical force, Army, 198
  diabetes mellitus, interdisciplinary treatment of, 848
  facilities, patient service attitudes in newly commissioned health care providers/administrators, 342
  functional gastrointestinal disorders, soldiers, peacetime vs. out-of-area missions, 223

managed care, total force readiness and, 281
medical center, pain management service implementation, 146
military, 739
commitment, 741
military strategy and, 301
military system, Bremerton Enrollment Capacity Model, 1099
operational readiness and psychiatric treatment, Air Force clinical guidelines, 378
patient education design, population-based needs assessment in, 297
respiratory illness, history of, in Naval Academy, 581
sexual concerns in females, military community hospitals, 208
Health care organization, leadership of, characteristics and development, 240
Health care specialists, Army, 685
Health care utilization
dental care, Veterans Administration outpatients, 171
military ship medical department, gender differences in, 32
Health promotion
in Army Dental Care System, 179
cigarette smoking in Air National Guard, 774
successful aging
spirituality, and, 561
spirituality and, 485
Health survey, reliability, active duty population, 632
Heart disease, mortality, former American prisoners of World War II and Korean Conflict, 803
Helicobacter pylori, serology before and after Hellenic Navy induction, 411
Helicopters, Army medical, in Korean War, 290
Hemorrhagic fever, with renal syndrome, acute pancreatitis in, 167
Henry M. Jackson Foundation for the Advancement of Military Medicine, history of, 577
Heparin, low-molecular-weight, venous thromboembolism prevention and treatment, 593
Hepatitis, viral, incidence in U.S. military, 1974–1999, 862
Hepatitis A virus, immunization program, prevaccination antibody test cost-saving potential, 11
Hepatitis A/B vaccination, concurrent, 95
Hepatitis B virus, immunization program, prevaccination antibody test cost-saving potential, 11
Hip arthroplasty, total, Army aviators, incidence and outcome, 132
Hormone profiles, sleep deprivation effects on, 427
Hospitalization
incidence of, active duty Vietnam vs. Persian Gulf War veterans, 646
inpatient psychiatric unit, community meetings on, 48
obesity-related, costs related to, Navy, 1
Hospitals
Bosnia-Herzegovina, War Hospital, organization and work of, 59
field: *see* Field hospital
isolated military, surgical care in, 90
military community, sexual concerns in female patients, 208
Human immunodeficiency virus
blastomycosis and, case report, 1026
early-stage, clinical prognosis, 571
intervention program, follow-up evaluation, 987
prevention program, 304
Humanitarian assistance, tuberculosis infection and, Guantanamo Bay, 1995, 116
Humanitarian medical care, military planning and, 301
Hygiene practices, women, deployed vs. noncombat environments, 152
Hypertension
identification, Ohio Blood Pressure History Survey, 233
pharmacist-managed therapy conversion in, 866
Hyponatremia, overhydration and, in Army trainees, 405
Hypothermia, oxygenated perfluorocarbon vs. humidified oxygen effects, 853

I

Immunization, mass program for, prevaccination antibody test cost-saving potential, 11
Infectious disease
emerging threat in the military, pneumococcal vaccine for, 1087
rates in Navy, 1980–1995, 544
Infertility, assisted reproductive technology and, medical and psychological aspects for primary care provider, 1018
Injuries
abdominal, war-related, complications and outcome predictive factors, 226
advanced trauma management, Ranger medic, 394
Army basic training, rates and risk factors for, 641
critical, damage control philosophy, 490
head, penetrating, war-related, outcome predictions in, 331
heat-related, in Army trainees, 405
liver injury, fibrin bandage fibrinogen concentration effects on blood loss in, 217
lower extremity, exertional compartment syndrome after, case report, 366
machete, in Haiti, case report, 1023
Military Trauma Life Support training program, 385
munitions, Army, noncombat, 135
Navy crewmembers during submarine patrols, 534
noncombat, peacekeeping operations in South America, 1059
nonweightbearing exercise, deep water running and, 253
penetrating lower extremity fractures, circular casting vs. external fixation, 791
talus, war-related, 705
